Address: Almedin Agushi, 401b, 401b, 17522, Bujanovac, Serbia (Home)

● ABOUT MYSELF

Junior software developer with experience in building websites and web applications using PHP, JavaScript, and MySQL. I have contributed to various projects such as developing custom WordPress themes and creating business-focused applications. I am eager to continue expanding my knowledge in web technologies, collaborate effectively in teams, and provide innovative software development solutions.

● WORK EXPERIENCE

🏢 **SEZAI SURROI** – BUJANOVAC, SERBIA

INTERN HIGH SCHOOL – 1 APR 2024 – 31 MAR 2025

- Assisted in teaching the subject "Web Technologies" to high school students.
- Conducted lessons and hands-on exercises in HTML, CSS, JavaScript, and MySQL.
- Helped students understand front-end and back-end development concepts.
- Prepared teaching materials and practical exercise guidelines.

🏢 **STARLABS** – PRISTINA, KOSOVO

INTERN (REMOTE) – JUN 2023 – SEP 2023

During this three-month internship, I gained valuable practical experience in website and web application development:

- WordPress Theme Development: Built a custom WordPress theme from scratch using PHP, HTML, CSS, and JavaScript.
- Business Presentation Project: Developed a custom platform using PHP and MySQL to provide advanced solutions tailored to client needs.

● TECHNOLOGIES USED

Technologies Used During My Internship

- WordPress: During my internship, I gained practical experience in applying the fundamental and advanced knowledge for efficient use of the WordPress platform.
- MySQL: My internship provided hands-on experience in database management and utilization in web applications.
- PHP: The internship allowed me to deepen my skills in developing dynamic and functional web applications using PHP.
- JavaScript: During the internship, I applied JavaScript to create interactivity on web pages and enhance user experience.
- SASS: My internship experience with SASS enabled me to implement more efficient CSS development techniques and enhance stylizations in my projects.

● SKILLS

Front-End:

HTML5, CSS3, JavaScript

Frameworks:

Bootstrap, Tailwind CSS, Sass, React JS

Back-End:

PHP (including Laravel), MySQL

Tools & Version Control:

Git & GitHub, Microsoft Office (Word, Excel, PowerPoint)

Other:

WordPress Theme Development

● EDUCATION AND TRAINING

2014 – 2018 Tetovo, North Macedonia
BACHELOR IN COMPUTER SCIENCE South East European University

Website <https://www.seeu.edu.mk/> | Level in EQF EQF level 6

2018 – 2021 Tetovo, North Macedonia
MASTER IN COMPUTER SCIENCE South East European University

Website <https://www.seeu.edu.mk/> | Level in EQF EQF level 7

● LANGUAGE SKILLS

Mother tongue(s): **ALBANIAN**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	A1	A1	A1	A1	A1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user

● HOBBIES AND INTERESTS

Personal Interests and Wellbeing

During my internship at StarLabs, I have developed a set of skills that have contributed to my effectiveness in a collaborative and dynamic environment. These include:

- Communication: Demonstrated effective communication skills through regular team meetings, project updates, and clear documentation of code and project progress.
- Adaptability: Successfully adapted to new challenges and tasks, showcasing flexibility in handling different aspects of web development projects.
- Team Collaboration: Collaborated seamlessly with cross-functional teams, fostering a positive and cooperative work environment.
- Problem Solving: Utilized analytical and problem-solving skills to address challenges encountered during the development process, ensuring efficient solutions.

In my free time, my main passion is engaging in sports and spending time with my family. These activities not only provide relaxation but also contribute to my overall well-being
